Grant Application Guidelines

The goal of our competitive grants program is to improve the fabric of the New Richmond community. The New Richmond area is generally defined as the area encompassing the School District of New Richmond. We recognize that there are services and programs that are provided by organizations located outside of this area that benefit the community. The benefit of program services to the New Richmond community must be reflected in the grant application.

Application Deadlines: April 15 and October 15. The deadline is extended to Monday when the 15th falls on a weekend. Applications must be submitted by midnight of the deadline date.

Grant Term: Project activities during the spring round must start no earlier than July 1; project activities during the fall round start no earlier than January 1. Projects must be completed within a 12-month period.

Grant Notification: Spring applicants are notified by mid-June; Fall applicants are notified by mid-December.

Grant amount requests range up to a maximum of \$1,500.
